Corporate, Business and Finance

OVERVIEW

Since its founding, Modrall Sperling's attorneys have represented the financial interests of businesses throughout New Mexico.

Successful business leaders know the value of trusted legal advisors who can help them to make prudent decisions at critical junctures and on key issues during the life cycle of their enterprises. From the earliest decisions about structuring businesses and business relationships, the financing and strategic management of business affairs, taxable income, and liability risks of all varieties, our lawyers add value and insights borne of deep and diverse experience.

Ours is a market-leading practice with a strong offering on commercial and business transactions, as well as in the public finance arena. According to *Chambers USA Directories of America's Leading Lawyers for Business*, the firm's "Key areas of expertise include bond issuance and tax audits. Business liquidation, corporate governance and compliance constitute further areas of strength."
